## COMMISSIONERS' REPORT.

---

TO THE CITIZENS OF SULLIVAN COUNTY:

We herewith in compliance with the laws of the State submit the annual report of the County Commissioners, Treasurer, Superintendent of the farm, farm Physician, Chaplain, Solicitor, Clerk of the Superior Court, Sheriff, Jailer and Auditors for 1901. The appropriation for County expenses for 1901 was \$25,000.00; the County expenditures have exceeded the appropriation. There has been built at the farm the current year a silo and hen house at an expense of about four hundred dollars.

Mr. and Mrs. William E. Perry have been in charge as Superintendent and Matron, at the County farm since the first of last April. Their management has been satisfactory to the Commissioners, and we are of the opinion that under their supervision the interests of the County are well looked after, and the unfortunate poor well cared for, and for the efficient manner in which they have performed their duties, we wish to thank them and their assistants.

## PHYSICIAN'S REPORT.

---

TO THE COMMISSIONERS OF SULLIVAN COUNTY:

This is the tenth year of my attendance at the farm. The number of deaths for the year past have been ten; the same number as reported one year ago. The cause of death in each case was as follows: Anæmia, 1; apoplexy, 1; Bright's disease, 1; consumption, 1; cancer, 2; paralysis, 1; paresis, 1: sunstroke, 1; old age, 1.

I take pleasure in saying to you, and to the people of the county, that it has been the desire of each and every one in charge at the County farm to do every thing possible for the comfort of all cases of sickness, and for the care of weak-minded, infirm and old people—you were very fortunate in your selection of the present superintendent and his wife, and they have made a most excellent choice in their assistants. Their duties are not always very agreeable, but I have always found them giving careful attention to their work, and our relations have been mutually agreeable.

The sanitary conditions in and about the buildings are as good as is possible to make them with the present arrangements.

There should be water closets, and if a sufficient water supply could be obtained the cost would not be great, and would be a very great improvement.

Respectfully submitted,

A. L. MARDEN, M. D.

Claremont, N. H., Jan. 14, 1902.

## CHAPLAIN'S REPORT.

---

TO THE COMMISSIONERS OF SULLIVAN COUNTY:

At the last session of the New Hampshire Conference, the former Chaplain, Rev. J. P. Frye, was appointed to other fields of labor which of course severed his connection with this Institution. As his successor I have endeavored to do my duty in this position for which I feel my lack of experience. While it is difficult to conduct religious services in such a way as to adapt them to all the inmates I have striven thus to do. All the regular services have been held. The attendance has been good, order has prevailed, and interest been manifested for the services. All have appreciated the visits of the ladies of the W. C. T. U., first those from Newport in June, and second, a delegation from Claremont in January.

Aside from the Sunday services I have attended five funerals. Two were held on Sunday, making seven in all.

I am sure that all the inmates receive the best of care and attention from the new superintendent and other officers.

Respectfully submitted,

GUY ROBERTS.

## SOLICITOR'S REPORT.

---

During the past year I have instituted thirty-four criminal prosecutions, arising in the towns of Cornish, Claremont, Charlestown, Newport, Langdon and Unity; comprising: breaking and entering; assault with intent to rape; aggravated assault; fugitive from justice; larceny; taking fish from Corbin park, in violation of the act of 1895; selling spirits; keeping for sale spirits and malt; search and seizure for spirit, malt and stolen goods; surety to keep the peace; larceny of horse; cruelty to animals; habitual truant, under school laws; assault with intent to commit manslaughter, and murder.

There have been twelve indictments found, disposed of as follows: one trial by jury; one prison sentence; seven recognizances; two placed on file, and one indictment for murder with trial set for January 14, next. There has been one sentence to the Industrial school, and one jail sentence.

Eight cases are on the continued state docket, and one civil suit, in which the county is defendant, has been transferred to Cheshire county for trial, under the statutes governing such cases.

The grand jury sat one day at the May term and two days at the November term. No fines, costs or other moneys belonging to the county have been paid to me, in conformity to the statute in relation to that matter.

F. H. BROWN, Solicitor.

Claremont, N. H., December 31, 1901.

CONCORD, N. H., Jan. 14, 1901.

Agreeably to previous notice, Sullivan County delegation met in Room 7, State House, for the purpose of receiving recommendations from the County Commissioners for the two years ensuing. Meeting called to order by the Chairman. The sum of \$34,000.00 was the estimate made by the Commissioners for the needs of the County, but it was thought best to cut this amount down, and some discussion followed along this line.
